Condition of the patient & other job description please specify here

She cared for her grandmother for 2 years and 9 months until her grandmother passed away due to complications. Following that, the family members decided to continue her service to take care two children, ages 2 years and 9 months, assisting with their daily needs, performing general household tasks, and preparing meals for the family members.

Reason For Leaving Finish Contract

Job Designation Domestic Helper cum Nanny

Country Singapore

Employer American

Start Date 27 June 2015

End Date 22 July 2015

Condition of the patient & other job description please specify here

She provided care for a 16-year-old child with autism, who exhibited active and sometimes abusive behavior. Her responsibilities included assisting with the child's daily needs, performing general household chores, and cooking for the family members.

Reason For Leaving She found it challenging to care for the child as the child frequently threw tantrums, often involving physical aggression such as hitting and biting.
